

WE NEED YOU!

A call is out for volunteers for the regional NOSB competition and here are the details!

FEBRUARY 13, 2016
USF College of Marine Science

What is the NOSB Spoonbill Bowl?

Tournament style academic competition designed to challenge high school students' knowledge of math and science in the context of the ocean. Also, it promotes careers in sciences and engineering and broadens public awareness and understanding of the importance of ocean-related research.
